### Three Angel's Message

- Rev. 14:6-7**      The message of the first angel is “The judgment is come.” The investigative judgment began on October 22, 1844
- Rev. 22:11**      When God is finished examining the books of record to determine who has accepted Jesus as their Savior FROM (Not IN) sin, it's all over but the shouting: Trumpet call, voice of God raising the dead, angels filling the skies and all that wonderful (for the saved) end-of-the world scenario.
- Rev. 14:8**      The message of the second angel is “Babylon is fallen.” Babylon represents churches and organizations who have rebelled against God and His law (see Rev.17:5; Gen. 11:1-9; Isa. 14:4, 12-14, 22).
- Rev. 18:2, 4**      We are to call people OUT OF BABYLON so that they do not have to partake of the seven last plagues.
- Rev. 14:9-12**      The message of the third angel is a description of what happens to those who receive the mark of the beast contrasted with the saints who keep God's law.
- Rev.12:17**      If you don't receive the mark of the beast, you are God's child and Satan hates you. Not to worry- see Psalm 91, Psalm 46, Rev. 3:10.
- Dan. 3:1-6**      Worshipping Nebuchadnezzar's statue was an acknowledgement of Nebuchadnezzar's authority over that of God's (Ex. 20: 4, 5). That's why Shadrach, Meshach, and Abednego wouldn't worship it.
- Ex. 20:8-10**      Worshipping on Sunday is an acknowledgement of the papacy's authority over that of God's (Matt. 15:8-9). That's why we worship on the day God has declared is holy. If we love God and the people for whom He died, we must give the message of the third angel.
- John 14:15**      Truly loving Jesus means trusting Him enough to live our lives His way. So the third angel's message is really another expression of Justification by Faith.
- Rev. 10:11**      The whole chapter of Revelation 10 describes the disappointment of October 22, 1844, when the Millerites thought Jesus was coming to the earth. God prophesied that they would misunderstand the event –though hit the date correctly- and He commands us that we MUST prophesy again. Our message is to declare what really happened in 1844; the onset of the first angel's message, followed by the unparalleled urgency of the second and third angel's messages.
